

## **Chair's Report – April 23, 2020**

Kathy Canderle is following up with Jim Lumford from the Inslee campaign to see if he will be able to be our guest speaker for our Salmon Dinner. Cyrus Habib is also someone that

Invitations for endorsement interviews will be going out in May. At this point, they will be conducted via Zoom.

I am now on a bi-weekly teleconference call with Derek Kilmer. The next call is this Friday. At the last call, Derek brought us up to date on what the House Dems are doing despite the obstruction in the Senate and the White House. He will be doing this through May.

Cancelling the LD meeting was out of our hands between the virus and the library closing its doors. Until we are legally able, and a place is available, we need to conduct our business online. We are fortunate to have someone who is experienced in conducting large online meetings – so a big THANK YOU to ERIN PHILLIPS, our 23<sup>rd</sup> LD secretary 😊.

The state has sent out a lot of information about how the delegate selection process will now proceed and Mary Bryant has been very good in organizing the information for our use. The PCO committee – Debbie Hollyer and Carollynn Zimmers – are busy making sure the PCOs know what is happening, how they can become delegates and where to find the information. Ginny Bell is busy recruiting volunteers to also become delegates and support the activities of the LD. These three are forces to be reckoned with 😊.

Ginny Bell has also agreed to be our Affirmative Action chair and is busy making connections to reach the various constituencies to ensure diversity in our delegates.

We will also need to continue to remind people to fill out the 2020 census info. It is still underway.

## **Membership Report**

There are 25 memberships, 105 dual memberships, 6 PCOs that did not pay to be a member and 7 members that did not renew. This gives us a total of 136 members. Our number of dual memberships is more than the number of dual

memberships for the county so we will be giving money to the county for those memberships, not vice versa.
