State Committee Meeting September 16 - 17, 2022, Wenatchee, Washington

September 16 was devoted to registration and several caucus meetings which your committee person did not attend. There was an evening Reception attended by many with a welcome from Tina Podlodowski and light food and drink.

The Committee voted to officially nominate and endorse 139 candidates in the November election; a necessity in case we need to appoint a replacement.

Fourteen (14) resolutions were considered and all but two were passed. One, number 1001, dealing with "Support PNW Offshore Wind Farms" was returned to the Resolutions Committee for more work. The other not passed was number 1000 "Support World Initiative to Save the Earth and Unite People (WISE - UP)" was quite interesting, but fell outside the Party's purview. There was some support for the idea and one of the originators even wrote and performed for the committee (which Tina promised will be up on the party web eventually)

Adjournment was only slightly late at about 3:00 PM on Saturday
